Established in 1972, Theatre of Youth Company, Inc. (TOY) stimulates the imagination, nurtures the creative spirit and enhances the education of young people by engaging them in relevant, child-centered, and professionally-produced live theatre programs. TOY believes meaningful childhood experiences in the theatre develop confidence in creative thinking skills, cultivate empathy and establish a life-long connection to the arts.

TOY is a place where all families, children, cast and crew feel included, represented and inspired. We strive to reflect the community that gave rise to our theatre, both on and off the stage, and to improve access to the magic of children's theatre and arts education for all. TOY is a safe haven where children can explore and be creative in comfort, with diversity in our productions and ensuring that our community has a voice in everything we do.
